Beautiful bouquets of flowers, blazing candles and the peals of the organ will signify for Catholics that Easter morn is here and that Christ has risen gloriously and has triumphed over sin and death.

Scientist Vermon is Announced

Let not him that is deceived boast in vanity; for vanity shall be his recompense. Those who despise Job (14:31) will be the next in all Churches of Christ, Scientist, this Sunday. The lesson-sermon is on "Unreality."

Statement from "Science and Health" with Key to the Scriptures by Mary Baker Eddy reads: "If sickness is true or the idea of Truth, you cannot destroy sickness, and it should be absurd to try."

When classify sickness and error as our Master did, when we spoke of the sick, "Whom Satan hath bound," and find a sovereign antidote for error in the life-giving power of Truth acting on human belief, a power which opens the prison doors to such as are bound, and sets the captive free physically and morally." (p. 495.)

The Torrance First Church of Christ, Scientist, is at 1750 Manuel Ave. and the Reading Room at 1617 Cabrillo Ave.
